Other People's Weather

WASHINGTON, June 14. — Moderately high pressure prevails over the upper lake region and central valleys, but with high temperatures and more or less unsettled weather and local showers in Vermont, the middle Atlantic states, Florida, the west Gulf states, northern Montana and Washington. Over the remainder of the country fair weather prevailed. Temperatures were also somewhat high in the Atlantic states and guite high for the season in the extreme Northwest.

With the exception of local thundershowers Sunday, the middle Atlantic states, the southern portions of the east Gulf states, the upper lake and the western lower lake region, generally fair weather will prevail Sunday and Monday east of the Mississippi River, although with more or less cloudiness at times. As a rule temperatures will remain about the seasonal average over interior districts.

refror districts.—Eastern Forecasts for Special Districts.—Eastern New York, partly cloudy Sunday, probably showers in early morning in southeast portion: Monday, partly cloudy, little change

perature.

New Jersey, partly cloudy Sunday, probably local thundershowers; Monday, fair, little change in temperature.

Western Pennsylvania and Western New York, partly cloudy Sunday and Monday, continued warmer.

Delaware, partly cloudy Sunday, probably showers in early morning; Monday, partly cloudy; little change in temperature.

Eastern Pennsylvania, local showers Sunday; Monday, partly cloudy; donday, partly cloudy, continued warm.
